

Dokumentasi Web

1. Tampilan awal web/ home web.

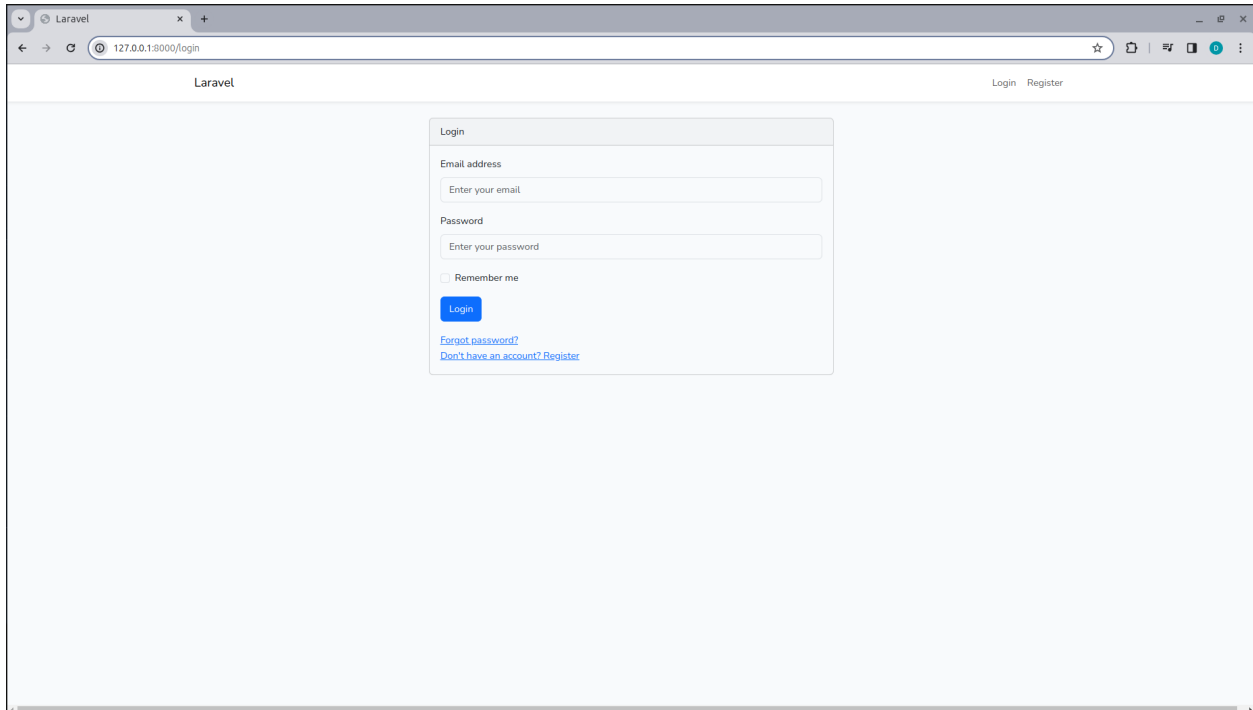

2. Database.

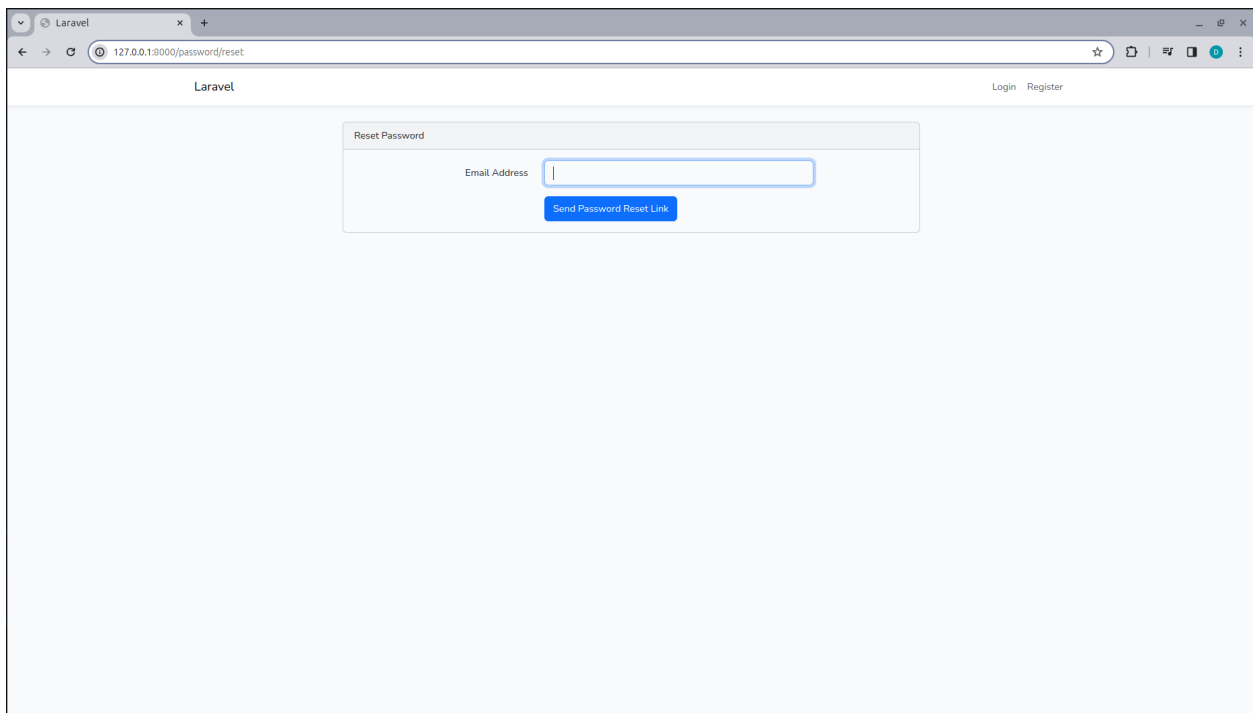

3. Tampilan login saat klik login di home, jika mencoba login sebanyak 5 kali, maka akan diberikan waktu 1 menit untuk mencoba login kembali, jika

mengisikan email harus menggunakan @, nama, dan .com atau yang lainnya. Bisa melakukan reset password yang nantinya menerima email verifikasi untuk mengganti password baru. Bisa juga melakukan create account jika belum mempunyai akun.

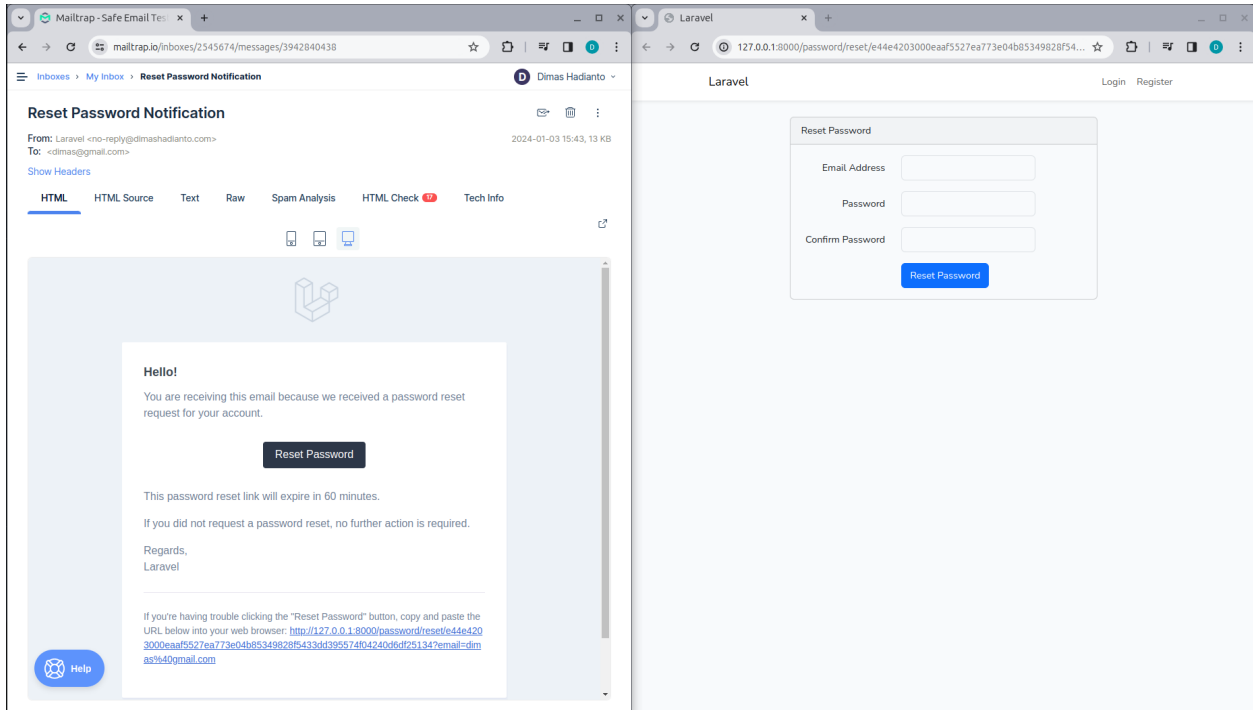

The screenshot shows a web browser window with the URL `127.0.0.1:8000/login`. The page title is "Laravel". In the top right corner, there are links for "Login" and "Register". The main content area features a "Login" form with the following elements:

- Email address:** A text input field with the placeholder "Enter your email".
- Password:** A text input field with the placeholder "Enter your password".
- Remember me:** A checkbox labeled "Remember me".
- Login button:** A blue button labeled "Login".
- Links:** Two links below the button: [Forgot password?](#) and [Don't have an account? Register](#).

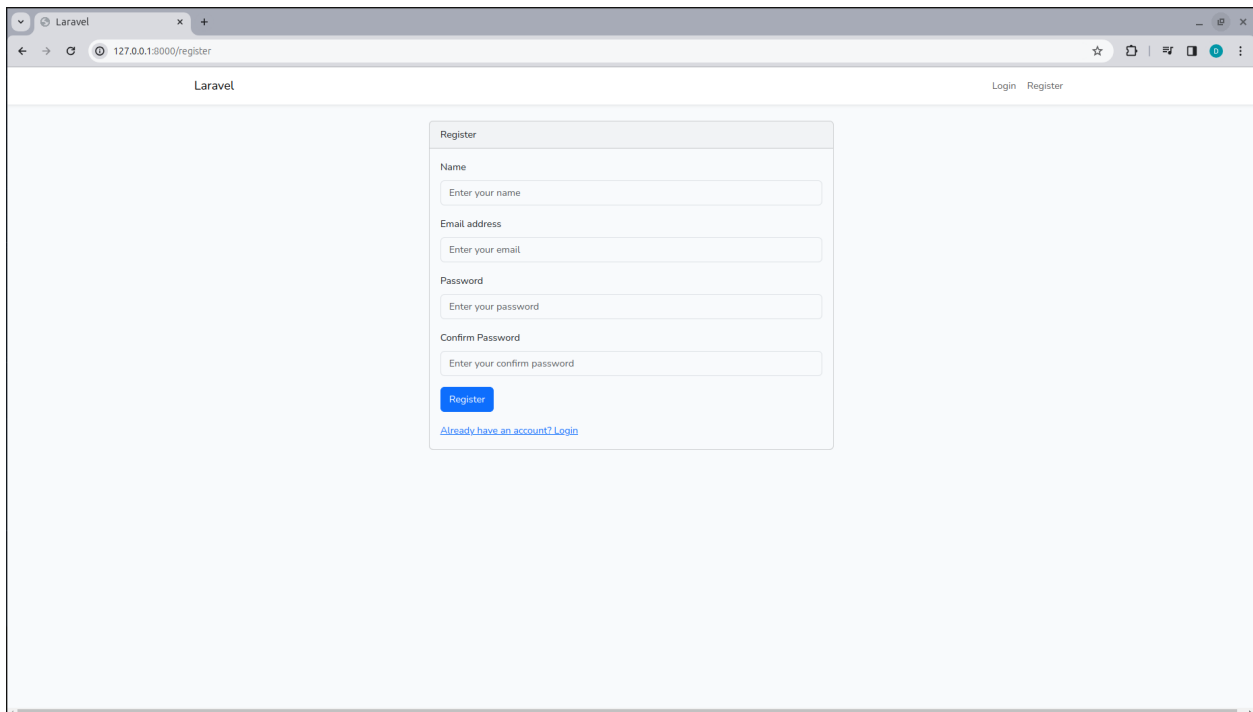

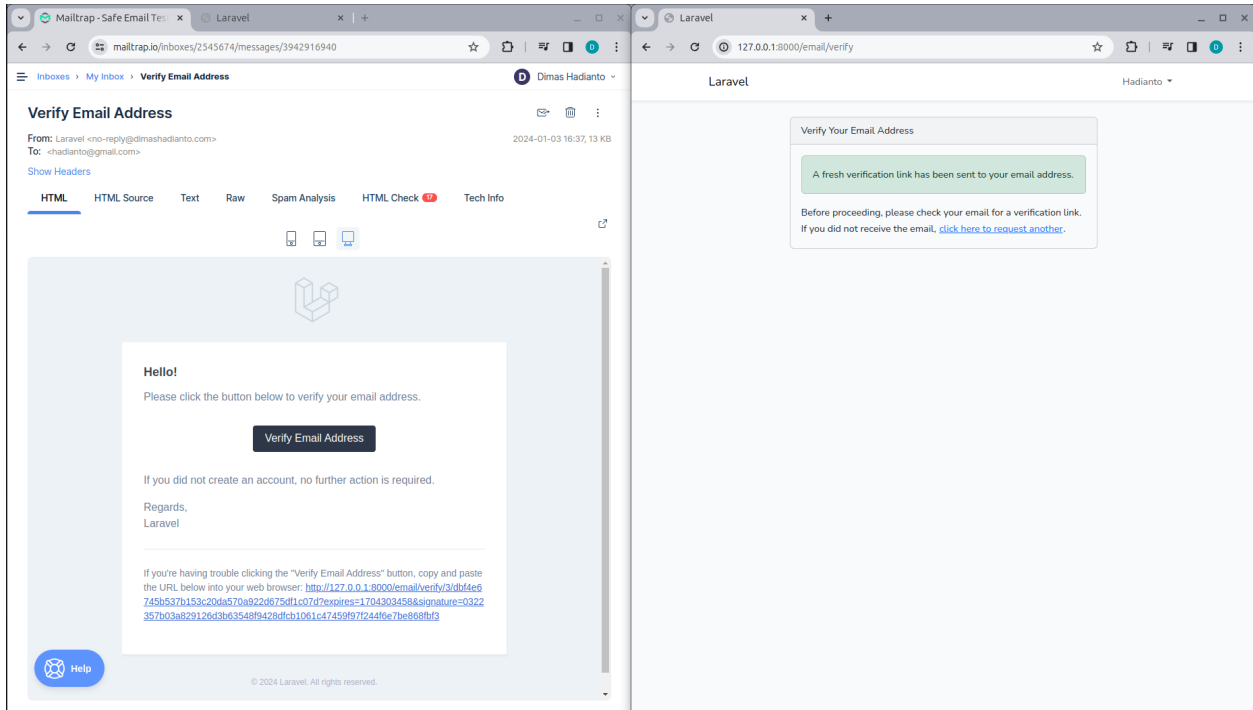

The screenshot shows a web browser window with the URL `127.0.0.1:8000/password/reset`. The page title is "Laravel". In the top right corner, there are links for "Login" and "Register". The main content area features a "Reset Password" form with the following elements:

- Email Address:** A text input field with the placeholder "Email Address".
- Send Password Reset Link button:** A blue button labeled "Send Password Reset Link".

4. Tampilan register, bisa mendapatkan link untuk dikirimkan registrasi akun

5. Contoh isi database ketika sudah registrasi, akan menampilkan waktu verifikasi akun
